

Stockport
NHS Foundation Trust

**People at the heart
of what we do**

Do you have a story you would like to share about the services at Stockport?

You can help us walk in your shoes by telling us about a recent episode of care that you have had.

It can be a good experience or one we can learn from. What is important is that it is in your own words so we can see what we are doing right, and what we could do to improve.

To share your story, or for more information, please contact the Patient Experience team on Patient.Experience@stockport.nhs.uk
